PEOPLE + DESIGN

A_LINE creates simplified solution, productivity, versatility and practicality while maintaining unique defined lines and curved geometric designed to suit today's modern office space. With its all-steel component consist of leg structure and beam support.

A photograph of a modern dining table and chairs. The table is rectangular with a light-colored wood top and dark legs. The chairs are upholstered in a light brown or tan material with dark wooden legs. The setting is a minimalist interior with a light-colored floor and a white wall. A red banner is overlaid at the bottom left of the image.
