MINIMALIST philosophy

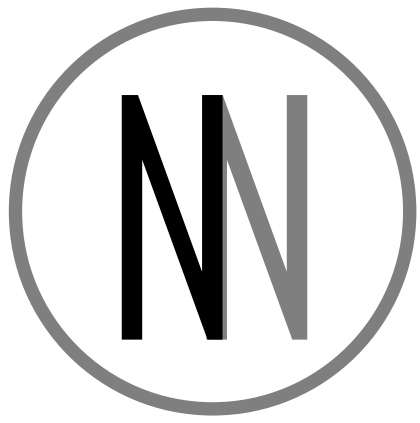

## LESS IS MORE

NN design embodies of minimalist philosophy, making use of natural materials, patterns of light and space, near monastic rejection of clutter

# Simplicity

The state of quality being simple,  
it can denote freedom of excessive material  
consumption and psychological distraction

# Straight Desk

Comes in varies of sizes and colors  
and it can be used for a wide  
varieties of applications.

# High Table - I

The benefit of health concern  
is one of the factor to incorporate  
into normal 'sit-all-day' routine.

# High Table - II

Beside benefit of health,  
it does assist with semi-privacy  
by having a 'seclusion' element.

# Smart Colors

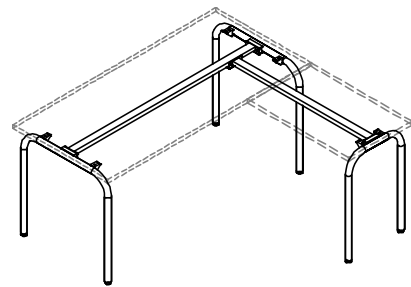

Color-in-context theory is the idea that carries different meanings in different contexts and therefore has different implications for feelings, thoughts and actions in different colors combination.

- |                    |       |
|--------------------|-------|
| 1. Hot Red         | HR-01 |
| 2. Mandarin Orange | MO-02 |
| 3. Sunny Yellow    | SY-03 |
| 4. Pastel Green    | PG-04 |
| 5. Steel Grey      | SG-05 |
| 6. Graphite Black  | GB-06 |
| 7. Pastel Blue     | PB-07 |
| 8. Sea Blue        | SB-08 |
| 9. Pure White      | PW-09 |
